

THE FIRST WEAR-RESISTANT BOOT

**Resistant even on abrasive
surfaces (gravel and stones)**

**High biosafety level guaranteed for
8 hours of use!**

**Thanks to its reinforced
sole, it can be used all day
long with no risk of
wearing.**

**It can be easily worn
thanks to its large size and
to the elastic it is provided
with.**

**Available in the extra-large
and jumbo versions.**

**Biosafety level equal to that
of rubber boots.**

Available in a new easy-dispensing box. Folded individually.
